Dr. Denton Sleeping Garments

—A Sleeping Garment is beneficial or injurious to a child according to how it is made. The development of the Denton idea of a sleeping garment completely covering the little ones, has brought out many inferior imitations, lacking the truly hygienic qualities of the genuine Dr. Denton garment.

Not an ounce of waste material is used in Dentons, nothing but new, clean, high-grade unbleached cotton with a little natural colored wool which gives the garments a slightly mottled near-white tint, pleasing to the eye and practical in use as it does not show soil.

HOME PROTECTION

You want your home protected The best guardian is a SAFE, RELIABLE AND EVER-READY

AUTOMATIC PISTOL

You take no chances with a COLT—it is simple in construction and therefore free from complications—dependable.

Every one is thoroughly tested—SHOT—before it leaves the factory.

A fire arm for the HOME should be doubly secure against accidental discharge. The COLT is the only Automatic Pistol that has an automatic grip safety which permits discharge only when the trigger is pulled, and in addition a lock which enables you to lay the pistol in a convenient place READY FOR INSTANT USE without fear of accident.

The COLT is a HAMMERLESS Automatic Pistol with a SOLID BREECH—no weak parts to give way or be blown back in the shooter's face.

The frontiersman chose the COLT because of dependability; YOU should buy a COLT because its claims for superiority are based on actual tests and PROVEN.
